The image shows a mobile application interface for entering a user profile. At the top, there is a blue header bar with a back arrow on the left and the text "User Profile Entry" in the center. Below the header, there is a large black icon of a folder with a plus sign and a circle inside. Underneath the icon, the text "User Information:" is displayed. Below this, there are three input fields, each with a label and an icon: "Name" with a person icon, "Email" with an envelope icon, and "Phone" with a telephone handset icon. At the bottom of the form, there is a large blue button with the text "Done". The entire form is set against a light gray background.

A screenshot of a mobile application interface for 'Supplier Entry'. The top status bar shows the time 4:55, a gear icon, and signal/battery indicators. Below is a blue header with a back arrow and the title 'Supplier Entry'. The form is divided into two main sections: 'Contact:' and 'Address:'. The 'Contact:' section includes fields for 'Name' (with a 'T' icon) containing 'Exotic Liquids', 'Email' (with an envelope icon), and 'Phone' (with a phone icon) containing '(171) 555-2222'. The 'Address:' section includes fields for 'Street' (with a location pin icon) containing '49 Gilbert St.', 'City' (with a building icon) containing 'London', 'Country' (with a globe icon) containing 'UK', and 'Description' (with a document icon). Each field is separated by a horizontal line. The bottom of the screen shows a black bar with a white horizontal line, representing the home indicator on an iPhone.
